# Accept EMV Chip Card Payments On the Go

Secure & Simple

## A True EMV Mobile Point-of-Sale

### EMV Chip Card Reader

Rugged and secure EMV card reader that connects via the audio jack port on your iOS or Android device.

### Bring Your Own Device (BYOD)

You don't need to buy any additional equipment. Use your existing smartphone and tablet, plug in the reader and start accepting payments.

### Customize and Manage Your Business

Log into the Merchant Dashboard to manage and edit your inventory, customize receipts, add tip options, and see what's selling with real-time reporting.
